To ask the Minister for Health the number of doses of the COVID-19 vaccine allocated to Letterkenny University Hospital that have been administered to date; and if he will make a statement on the matter.- Thomas Pringle

Dear Deputy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question/Public Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

As of Friday 15th January, almost 900 health care workers have been vaccinated at LUH.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours Sincerely,

Seán Murphy
General Manager
Letterkenny General Hospital
