Dear Deputy McAuliffe,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The number of currently unfilled vacancies in Child and Adolescent Mental Health Services for Community Health Organisation Dublin North City and County is detailed in the Table below.

Discipline	Unfilled Vacancies

All of the above unfilled vacancies are currently progressing through the HSE Recruitment process. It is envisaged the vacancies will be filled from established recruitment panels as soon as possible.
