Question

To ask the Minister for Health the details of external service providers that have been procured or hired for the roll-out of the Covid-19 vaccination programme to date; the value of each contract; the name of each contractor; the purpose of each contract; and if he will make a statement on the matter. -Alan Kelly

Response

Deputy Kelly,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Please see attached the latest information received on the Vaccination Centres locations hired for the roll-out of the Covid-19 vaccination programme. The value of each contract has not been fully determined at this point as the centres are only being established and the duration of requirement has not been determined. The contracts for these centres are being arranged by HBS Estates.

In addition to the contracts for the hire of the centres there will also be contracts with external providers to support the centres in relation to security, traffic management, cleaning, waste collection and catering.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact the Office of the Head of Procurement on (01) 635 2688 or via ohop@hse.ie.

Yours sincerely,
