

Amendment to Part 1 of Service Arrangement to provide for the Consortium Arrangements for Home Support Services Tender 2018 Home Care Provision (Not For Profit Providers)

Date: / / 2018

In accordance with Clause 37.6 (c) of the Service Arrangement Part 1, the Health Service Executive (“HSE”) confirms that your Service Arrangement Part 1 with the HSE is amended as follows.

Each Consortium Member shall be jointly and severally liable for the obligations of all Consortium Members (listed in Appendix 1) in relation to the provision of the services outlined in the **Home Support Service Tender 2018 Schedules signed by each Consortium Member**, pursuant to the service arrangements entered into by the HSE and each Consortium Member (the “Obligations”).

The rights of the HSE pursuant to the Service Arrangement may be relied upon by the HSE with Name of Consortium Member where there is any failure by any Consortium Member to provide the Obligations to the satisfaction of the HSE. For these purposes the reference to “Services” under the Service Arrangement may be deemed to include the Obligations of the relevant Consortium Member.

Pursuant to Clause 14.3 of the Service Arrangement, in the event of Non-Compliance by any Consortium Member, in addition to the other remedies available to the HSE under the Service Arrangement, the HSE may also suspend the allocation of new home support services to Name of Consortium Member for a period of time. In addition, the HSE may require a Consortium Member to perform the Obligations of another Consortium Member, where that Consortium Member is in Non-Compliance in respect of the Obligations.

The HSE shall keep each Consortium Member informed of the Obligations of the Consortium Members.

Yours sincerely,

David Walsh
National Director Community Operations
