

The Leading Care Programmes

Leading Care I

A **senior leadership** development programme aimed at experienced **senior leaders/managers** in both clinical and non-clinical roles

For those who are:

- experienced senior leaders/managers who may already be on the senior leadership/management team of their organisation
- aspiring to be on the senior leadership or management team of their organisation, and are likely to be ready to apply for such a leadership role in the next two years

Leading Care II

A **leadership** development programme aimed at clinical and non-clinical colleagues

For those who lead:

- teams, departments, services
- systems of care and complex projects

Leading Care III

A **management** development programme aimed at clinical and non-clinical colleagues

For those who are:

- newly appointed to a management role or a position of responsibility
- aspire towards a management or supervisory role in the next two years
- more senior and wish to undertake this programme
