Re: Fluoxetine 20 mg

Dear Pharmacist,

The HSE is aware that Fluoxetine 20 mg products on the GMS Reimbursement List will not be available for a number of months.

As a temporary measure until such time as supplies of the authorised product become available, the following Exempt Medicinal Product may be supplied and will be reimbursed under GMS and Community Drug Schemes.

The product may be claimed from 1st June 2020 by using the following temporary code:

Product Description	Pack Size	Temporary Code	Reimbursement Price
Fluoxetine 20mg Capsules (Bristol Laboratories Ltd.)	30	55597	€3.30

From 1st June 2020, the HSE will not pay more than this reimbursement price for Fluoxetine 20 mg under GMS (Discretionary Hardship Arrangements) or Community Drug Schemes.

Yours faithfully,
