Re: "We've got a Song to Sing"

Hi everybody,

We believe that among the hundred thousand plus staff employed in the health service we harbour an enormous amount of talent. We believe that we, in the health service, have a good song to sing and we would like to enlist the support of all health service **Choirs** to make a record for Christmas 2016.

If your hospital, your service or your work location has a choir, we would ask that you contact Leonie Weekes by email staffchoir@beaumont.ie **before 20th May, 2016** who will establish a contact base for each choir as a starting point in this project.

Our aim is to involve as many health service employee choirs as possible and, having done so, to canvas the entire health service staff to select a song around which the choirs collaborate and record a hit record. NHS staff made number 1 last year, let's see if we can do the same.

Yours sincerely,

**Rosarii Mannion
National Director of HR
HSE**

**David Hughes
Deputy General Secretary
INMO**

**Leonie Weekes
Choir Co-ordinator
